

Dear Author,

To present your paper in TENSYP-2024, you need to prepare the presentation in .pptx format of file with the following criteria:

Please ensure the following instructions for PowerPoint presentation preparation:

1. Prepare the PPT within 10-15 slides only.
 2. Start the introduction only after mentioning the contents.
 3. Prepare the PPT in such a way that it should be explained within 10 minutes.
 4. The filename must be in the provided format i.e. PID_Track Number_Paper Title.5.
- Incorporate all required logos such as Logos of TENSYP 2024, IEEE IAS, IEEE PES, IEEE ITSS, IEEE CS, IEEE CSS & IEEE EDS.
6. Discuss every slide of the presentation including the "Conclusion".
 7. Include the Reference section.
 8. Presentation screen size should be maximum/presentation should be on full screen.
 9. File type should be .pptx only.
 10. The presentation should be in clear and understandable English with clear images of diagrams and curves (if required).
 11. Please avoid unnecessary animations while preparing the PPT.

The cover page of the PPT may be prepared in the following format:

Paper Title:

Paper ID:
